CAREER OBJECTIVE

To obtain a challenging opportunity in web development to apply my problem-solving mindset, creative thinking, and dedication to building high-quality digital experiences. I aim to contribute across front-end and back-end development, grow within a dynamic team, and continuously enhance my skills while delivering impactful, user-focused solutions.

EXPERTISE:

Frontend:

- React.js, Next.js, Redux, TanStack Query, JavaScript (ES6+), TypeScript, Tailwind CSS

Backend:

- Node.js, Express.js, MongoDB, Mongoose, REST APIs, GraphQL, Firebase Authentication, JWT

Languages & CS Fundamentals:

- JavaScript, TypeScript | **Familiar:** C, C++, Java | Data Structures, Algorithms

State & API Management:

- Redux, Axios, TanStack Query, REST APIs, GraphQL

Tools:

- VS Code, Chrome DevTools, Redux DevTools, GitHub, Netlify, Vercel, Figma

EXPERIENCE

Full Stack Developer

Genius Andro | Tangail, Dhaka, Bangladesh | January 5, 2024 – Present

Design and maintained end-to-end web applications with secure APIs, user authentication, payment integrations, and responsive UIs using React.js, Node.js, Express.js, and MongoDB

PROJECTS

Cashooz – Affiliate Marketing Platform

May 2024 – Apr 2025 | [Live Site](#) • [Client Code](#)

Built a rewards platform where users earn points by completing affiliate offers. Developed secure auth, real-time task tracking, and a responsive UI with React, Node.js, TypeScript, and Firebase.

Tech: React, Redux, Tailwind, Node.js, Express, TypeScript, MongoDB, Firebase, JWT, REST API

Sinan Gift Corner – E-Commerce for Personalized Gifts

Nov 2024 – Jan 2025 | [Live Site](#) • [Client Code](#) • [Server Code](#)

Create an e-commerce platform for personalized gifts with real-time cart updates, secure checkout, and a mobile-first design. Integrated email notifications and JWT-based user sessions.

Tech: React, Node.js, Express, MongoDB, JWT, Nodemailer, Tailwind, REST API

PROBLEM SOLVING & COMPETITIVE PROGRAMMING

- DUET IUPC 2019 (72nd)
- 173rd, SUST Inter-University Programming Contest 2019
- 7th Place, Comilla University Intra Programming Contest 2019
- Codeforces: Nam_Diya_Kam_Ki – Max Rating: 1235 | 640+ problems solved

EDUCATION

B.Sc. in Computer Science & Engineering, Comilla University (2017–2022) – CGPA: 3.07 / 4.00
